Our Commitment

Pro-Tech Services has over thirty successful years in the contract and contract to hire placement. A company of integrity, we hold ourselves to the highest standards of business ethics. Our diverse professionals are all educated and experienced in their discipline. Proven screening methods assure accurate selection of candidates according to your objectives and requirements.

Our Expertise

Being professional, with experience and insight, allows us to summarize, not only technical skills, but personality types and career objectives while conducting our extensive face to face interviews. Verifying degrees and checking references are other methods we use to ensure our high placement rate. Because we make your goals our goals, we may disqualify dozens of applicants before we find the right person for your needs.

Our Services

- We qualify people according to your specifications.
- We send you the top 20% of people in their field.
- You get qualified candidates sooner.
- Seven out of every ten of our candidates get asked back for second interviews.
- You get your work done faster.
